## SAFETY

- Parents must remain in the building while their child is in Child Watch.
- Whoever signs the child into Child Watch must pick up the child unless alternate arrangements are made with on-duty staff and a permission slip is filled out.
- We require a picture ID at pick-up time if someone other than the adult who signed the child in picks up the child.
- Each child needs to be signed in and out each visit.
- We require a medical form to be filled out every year.
- Parents may only enter or exit through the YMCA main doors.

## GENERAL POLICIES

- You must remain in the building while your child is in Child Watch, and inform the staff where you will be in case they need to contact you.
- Give staff any information about your child that may be valuable while they are in our care, such as eating and sleeping needs, medication, temperament, etc.
- Only medicine for a life threatening condition will be administered by a staff person during a child's visit.

## CHILD GUIDANCE

The Grants Pass Family YMCA Child watch staff uses redirection and positive reinforcement while working with your child. If these techniques are not successful and your child poses a danger to self or others, we will notify you immediately. We will share information concerning any behavioral issues upon request.

## DIAPERING

If your child is still in diapers, you will be notified if your child needs to be changed while in our program. Staff will not change diapers at this time. Please bring your child in a clean and dry diaper.

## ACTIVITIES

During their stay with us, your child is encouraged to engage in fun activities that include a variety of age-appropriate toys, equipment and materials of interest to your child. While Child Watch programs may make use of TVs and DVD players, the Grants Pass Family YMCA limits viewing time and offers only programming choices that are consistent with YMCA values. We offer only G-rated videos and screen music for appropriate content.
